Exporting 101: How to Reduce Your Total Landing Costs

Is your company involved in importing or exporting goods? Do you know how a “Foreign-Trade Zone” (FTZ) can help to expedite the process while reducing costs by as much as 40 percent?

Join us for an informational session featuring:
- Michigan Economic Development Corporation/MI State Trade Export Program (MI-STEP)
- Baker Tilly
- TVI Logistics
- Representatives from area companies that have successfully tapped these resources

Wednesday, May 18
8:30 – 10:45 a.m.
TVI Logistics
25200 Malvina Warren, MI 48089

Light breakfast will be served.
The cost for the workshop is $20.
