Business Investment tops $2.2 billion in 2014

Headquarters to the U.S. Army’s TACOM LCMC, Macomb County is the capital of Michigan’s Arsenal of Innovation.

Semi-pro ballpark to open in 2016

International Landing Zone welcomes first tenants

$6 million awarded to support robotics, automated systems and cybersecurity.
As a nationally recognized research university, Wayne State’s academic expertise translates from the classroom to the boardroom.

We offer courses from Midtown to Macomb and, through Executive and Professional Development, our world-renowned faculty can provide customized programs and training in fields relating to more than 380 academic disciplines. Degree and non-degree programs are available.

Through groundbreaking research and hands-on education, we transform our students and support the talent needs of industry. Learn more at wayne.edu.
Greetings from Macomb County, Michigan

Welcoming and rich in quality of life, Macomb County is a great place to call home! As a life-long resident, I am proud of our status as one of Michigan’s fastest growing places for residents, businesses and visitors.

With a population close to 870,000 people, our residents are drawn to an affordable range of housing options, top schools and safe neighborhoods. Our 27 communities offer access to more than 17,500 acres of recreational space, 32 miles of Lake St. Clair shoreline and thousands of places to shop, eat and be entertained.

Business investment here topped $2.2 billion in 2014 with significant announcements from General Motors, Fiat Chrysler, KUKA Systems and Yanfeng USA.

To learn more about making Macomb County your home, please contact our Department of Planning & Economic Development. Its role is to work collaboratively with private and public partners to preserve and enhance our quality of life while supporting healthy economic growth. Their free and confidential services are available to help businesses of all types to reach their goals for growth and expansion.

Proud heritage, bright future

Located in the heart of Greater Detroit, Macomb County helped to build the region known as “The Automotive Capital of the World.”

Over the decades, the evolution of the automotive industry has created a unique infrastructure that supports all stages of product life cycle. Today, more than 1,600 Macomb County companies are developing and implementing the tools, methods, processes and products that support a broad range of advanced manufacturing applications in aerospace, automation, cybersecurity and defense, medical devices and homeland security.

Competitive Advantage

With a skilled workforce of 420,000+, an unparalleled network of suppliers and multi-modal transportation options, Macomb County is a logical choice for business expansion. Michigan’s corporate tax structure makes it possible to realize greater efficiencies in producing goods and services at globally competitive prices.

Michigan is the comeback state

Offering one of the best pro-business environments in the country, Michigan has been ranked as one of the top 10 states for corporate tax competitiveness. A simple, fair and efficient six percent corporate income tax and the elimination of industrial personal property tax have escalated business growth. The state provides millions of dollars in support each year for business expansions and growth through a variety of resources, incentives and loans.

Macomb County is proud to be a part of that comeback. Shrinking unemployment, record-breaking investment and rising home values signal that better days have arrived. Business investment in 2014 topped $2.2 billion including:

Greater Detroit is the tenth fastest growing economy amongst the nation’s 50 most populated metropolitan areas.
The region that put the world on wheels excels in many industries

Skilled and Ready Workforce
- Nearly 420,000+ in the local workforce with another two million throughout the region
- Highest per capita concentration of engineers in the country
- Michigan employs more industrial and mechanical engineers than any other state and leads the nation in the number of electrical and materials engineers and electro-mechanical technicians
- Wages in the region are comparable with national averages

Educational Support
- Michigan colleges and universities rank number one in graduating engineers per capita
- Advanced degrees in supply chain management, transportation and logistics
- University Research Corridor – a collaborative partnership of University of Michigan, Michigan State University and Wayne State University – adds $15.5 billion to our economy annually, up 43 percent from 2007
- Macomb Community College is a national leader in customizable workforce development programs. Its University Center hosts satellite access to Michigan’s top colleges and universities

Michigan colleges awarded 123,000 degrees in 2013

Research and Development
- The Detroit region invests more in automotive research and development than any other locale in the world
- Michigan entrepreneurs file more than 4,000 patents annually, keeping the state in the top 10 for patents granted
- The U.S. Patent & Trademark Office opened its first-ever satellite office in nearby downtown Detroit in 2012

Access to market and integrated supplier network:
- Located within 500 miles of half the population and income of the U.S. and Canada, toll-free expressways, ample rail and access to the St. Lawrence Seaway make Macomb County a logistically efficient location
- Nearby Detroit Metropolitan Wayne County Airport (DTW) serves more than 30 million passengers annually with 600 daily departures to more than 150 global destinations
- Macomb County is within 35 miles of three of America’s busiest border crossings to Canada – America’s top trading partner. Combined, more than $200 billion in trade crosses these spans annually
- Each year, 3.6 million tons of automotive cargo moves by rail and another 80 million tons are transported on the Detroit River via the St. Lawrence Seaway

Global Presence
- More than 1,250 foreign firms from 34 countries have selected Greater Detroit as an ideal location for creating a North American base of operations
- One of every 10 residents was born outside of the United States
Macomb Business

Capital of Michigan’s Arsenal of Innovation

Macomb County offers an advantage for defense companies that no other locale can claim: proximity to the headquarters of the U.S. Army’s TACOM Life Cycle Management Command (LCMC) at the U.S. Army Garrison – Detroit Arsenal.

TACOM LCMC is one of the Army’s largest weapon systems research, development and sustainment organizations with a single purpose: provide the U.S. Military and our allies with the very best ground combat, automotive, marine and armaments technologies.

These goods and services include combat and service vehicles, artillery, small arms and advanced materials used by troops. The Arsenal provides total life cycle support including project management for these systems and products, contracting support, logistical support and incredible research and development activities.

Within TACOM LCMC are the Program Executive Offices for Ground Combat Systems, Combat Support and Combat Service Support.

“*If a soldier drives it, wears it, eats it or touches it, we supply it.*”

*Brig. Gen. Gwen Bingham, Commander of U.S. Army TACOM LCMC*

Other assets include:

- The Tank Automotive Research, Development and Engineering Center (TARDEC) provides engineering, design and research in the newest technologies
- Army Contracting Command makes purchasing decisions for up to 70 percent of all equipment and supplies used by the U.S. Army
- Integrated Logistics Support Center
- Selfridge Air National Guard Base, home of the mighty 127th Wing of the Michigan Air National Guard, hosts every branch of the U.S. Military and nearly 40 tenant units including the U.S. Border Patrol and U.S. Customs and Border Protection

A hotbed for landing defense contracts, industry leaders General Dynamics Land Systems, BAE Systems, Oshkosh Defense, AITS Aerospace, Baker Aerospace, DRS, Wyle and nearly 500 others have been awarded more than $26 billion over the last decade.

USAA ranked Macomb County as a top 10 place for veterans to transition in 2012. Here, our heroes find welcoming communities, affordable homes and an abundance of jobs that require military experience.
Robotics and cybersecurity industries growing in Macomb County

The Department of Defense (DoD) Office of Economic Adjustment awards grant

- The Advance Michigan Defense Collaborative was awarded a $5.97 million grant in September 2015. Funds will support 15 major projects in the region, benefitting cross-sector industries in the enhancement of robotics, automated systems and connected vehicle technologies, as well as cybersecurity-related projects

Michigan Automated Systems Collaborative (MASC)

- MASC is an organization that partners with Macomb County to promote, attract and grow the robotic and automated system industries in the state of Michigan

Michigan Automotive and Defense Cyber Assurance Team (MADCAT)

- MADCAT is an alliance that leverages Macomb County’s unique assets in defense and automotive to create a cybersecurity ecosystem that drives technology innovation, encourages economic development and creates a talented workforce

Extensive robotics network

- TARDEC in Warren supports three major laboratories: Ground Systems Power and Energy Laboratory, Joint Center for Robotics Vehicle High Bay and Intelligent Mobility/Robotics Laboratory
- The Ford Michigan Proving Grounds located in Romeo sits on 3,880 acres and contains over 100 miles of roads
- General Motors announced it will outfit its Warren Technical Center campus with a fleet of autonomous 2017 Chevrolet Volt plug-in hybrids
- Macomb Community College’s (MCC) Michigan Technical Education Center is a 40,600-square-foot facility that provides education and training in advanced integrated manufacturing, automated systems and robotics
- The Center for Advanced Automotive Technology, located on MCC’s south campus in Warren, is one of only 42 Advanced Technical Education Centers in the U.S., providing educational opportunities to meet the needs of the growing vehicle electrification field

The Michigan Defense Center funds two Michigan Cyber Range extension nodes

General Dynamics Land Systems (GDLS), Sterling Heights

- GDLS’s impressive MC2 facility went live in April 2015
- The company hosted student participants in the July 2015 SAE Cyber/Auto Challenge

Macomb-Oakland University Incubator, Sterling Heights

- The Velocity Cyber Node serves as the first publicly-operated cybersecurity incubator in Michigan
- Professional, nationally-recognized cybersecurity certificates can be obtained via the Merit Network
- The cite provides a secure sandbox environment for Michigan businesses looking to develop and test new technologies

Here to help you grow

With a mission to create community and build business, the Macomb County Department of Planning & Economic Development works collaboratively with private and public partners to enhance overall quality of life while supporting healthy economic growth.

Free and confidential business retention and attraction services available include:

- Assistance in selecting suitable sites for purchase or lease
- Assessing eligibility for development incentive programs through local, state or federal programs
- Connections with public and private financing sources
- Employee screening, hiring and training resources
- International Landing Zone for companies established outside of the USA
- Liaison with local governments to facilitate timely passage through permitting processes
- Market research and strategic planning

Special initiatives include:

- Macomb-Oakland University Business Incubator – proven ability to provide wraparound business acceleration services to start-up companies in defense, advanced manufacturing and other technology-based businesses
- Blue Economy Initiative – multi-faceted approach for protecting and preserving Macomb County’s access to Lake St. Clair and the Clinton River watershed. Its objectives are to increase public access and cultivate investment and job creation while maintaining high standards for environmental stewardship
- International Landing Zone – located on Michigan’s defense corridor, the landing zone provides space and support for companies with proven technologies in the defense and homeland security industries. Supported by the Michigan Defense Center and Macomb-Oakland University Business Incubator, acceptance into the program offers assistance to companies working to determine the feasibility of expanding operations in the U.S. including customized business counseling, access to capital, introductions to potential customers, networking and complimentary office and conferencing space
- Prime Properties – a property data analysis tool that aids industrial site selectors in evaluating available development sites throughout the county

Announcing
Beaumont Health

Beaumont + Botsford + Oakwood

35,000 health care professionals
join forces to give you the
most advanced medical care – anywhere.

5,000 doctors
8 hospitals
168 health centers
Our mission
Automation Alley is a technology business association and business accelerator dedicated to growing the economy of Southeast Michigan and enhancing the region’s reputation around the world. We offer talent and business development programs and matchmaking services to tech-focused businesses of all sizes — from startups to large corporations — to help them grow and prosper. Since our founding in 1999, Automation Alley has grown to include nearly 1,000 members from the city of Detroit and the surrounding eight-county region.

Entrepreneurship
Matching entrepreneurs with business resources
We match technology-driven startup companies with resources, support and investment dollars, helping entrepreneurs transform their ideas into commercialized, marketable technologies and services. Through the Automation Alley 7Cs™ program, we provide intense coaching and a firm commitment to invest resources and capital into your startup.

Talent Development
Matching employers with technical training and talent
We match employers to the highly skilled technical talent necessary to keep their companies on the cutting edge. And we create and support programs and statewide resolutions that help grow the pipeline of technical talent in the region.

International Business
Matching businesses with opportunities abroad
Our award-winning trade mission program has generated more than a half billion dollars in export sales for local companies. Automation Alley also connects international companies to business opportunities in Southeast Michigan. Our 3,200-square-foot International Business Center is available to international companies as they explore permanent locations.

Defense
Matching companies with defense industry expertise
We offer assistance to local companies looking to diversify into the defense industry. We also provide opportunities for key players in the manufacturing industry to network and discuss best practices.

Emerging Technologies
Matching businesses with innovative solutions
We believe giving companies access to new and emerging technologies is critical to the growth of small to medium-sized businesses in our region. Our Technology Center at Oakland University is keeping Southeast Michigan companies on the cutting edge by offering affordable training and resources in a variety emerging technologies.

Make Macomb Your Home
Consistently one of Michigan’s fastest growing populations, Macomb County is home to nearly 870,000 residents. Offering an affordable range of housing options, top schools, access to excellent health care facilities and thousands of places to shop, eat and be entertained, Macomb County’s 27 communities offer a rich quality of life for all.

Neighborhoods
Welcoming and safe, Macomb County communities range from large cities to small towns. Housing options include solid starters in walkable neighborhoods, historic districts with quaint downtowns, opulent estates on park-like parcels, active farmland or lakefront living. All offer easy access to nearby amenities.

Top schools
From pre-kindergarten through high school, including a nationally acclaimed special education program, Macomb’s 21 school districts prepare students for success in life. The coveted International Baccalaureate Diploma can be earned at two public schools. More than 30 public academies and dozens of private schools offer educational options.

Higher education
Macomb Community College (MCC) serves more than 48,000 students annually. It specializes in career preparation and workforce development while offering a streamlined articulation process with most of Michigan’s colleges and universities. As a pioneer of the “University Center” concept, MCC hosts satellite classrooms for Michigan’s top colleges and universities including the Michigan State University College of Osteopathic Medicine.

Other MCC programs such as professional development certification, College for Kids, Center for the Performing Arts and a broad offering of life-long learning opportunities make it a tremendous community asset.

The heart of the Great Lakes

Lake St. Clair is a top destination for fishing, boating and paddle sports. Bassmaster Magazine rated its fishery top in the nation in 2013 and hosted the Bassmaster Elite tournament here in 2015. The 32-mile “Circle the Lake” tour supports thousands of boat slips, dockside dining and entertainment, phenomenal wildlife watching and miles of hike/bike trails. A growing number of annual events on the lake attract visitors all year long.

Recreation

From neighborhood playgrounds to expansive parkland, there are more than 17,000 acres of recreational land and open space in Macomb County. Networks of hike/bike trails – including the 24-mile Macomb Orchard Trail – connect neighborhoods to parks, downtown districts and schools. Four-season sports and educational programs are offered at three regional parks. Want more? How about six public beaches; more than 30 spectacular golf courses; a tangle of cross-country ski trails; liveries that rent canoes, kayaks and horses; and private lessons that range from windsurfing to skydiving?

Entertainment

Top name entertainers grace local venues like Macomb County’s Freedom Hill, Center for the Performing Arts and Andiamo Showroom. The professional playgrounds of the Detroit Tigers, Red Wings, Lions and Pistons are just a short drive away. Other nearby attractions include the Detroit Institute of Arts, Detroit Zoo, The Henry Ford and three casino hotels.

Macomb is home to six stops along the “Thumbs Up Wine Trail,” offering the bounty of local vineyards, wineries, a meadery and ciderhouse.

A new independent professional baseball league will debut at Jimmy John’s Field in the city of Utica in June 2016. This $12 million project features seating for 4,000, a grandstand, 10 luxury suites, grassy berm and picnic areas. The park will serve as home field for three teams of the United Shore Professional Baseball League.

“Lake St. Clair is the best fishery on the planet.”

Bassmaster Pro Kevin VanDam
**Shopping**
From big box to boutique, you’ll find it here. Macomb’s M-59 Corridor features 2,300+ retail establishments and nearly 200 restaurants. Owners of one-of-a-kind shops await you in downtown districts. Nearly 500 active farms support a variety of community markets, field-side stands and “u-pick” experiences.

**Community celebrations**
Classic car nights, ethnic festivals or concerts under the stars, something is always on the calendar in Macomb County. Annual favorites include Sprint and Splash, Armada Fair, Gratiot Cruise, Sterlingfest and an assortment of other festivals that pay homage to Macomb’s military prowess, peaches and fish flies.

**Dining and nightlife**
More than 1,340 restaurants offer a tantalizing array of epicurean delights that complement our rich ethnic diversity. You’ll find a friendly crowd in our neighborhood pubs where you can shoot a game of pool, listen to a live band or dance the night away.

**Health care**
Five area hospitals offer nationally acclaimed specialty and trauma centers with top-rated medical staff. Every neighborhood is served by urgent-care facilities as well as the offices of general and specialty-care medical practitioners.

More than 500 farms in Macomb County produce crops and livestock in excess of $52 million annually.
Macomb Township

Macomb Township is located in the center of Macomb County and the heart of the region. It is one of the fastest growing communities in Macomb County and in the State of Michigan. With a population of over 80,000, and consisting of nearly 36 square miles, Macomb Township of the most financially solvent and most stable community in the State of Michigan.

www.macomb-mi.gov
Center of the County ~ Heart of the World

Quality of Life: Macomb Township was recognized in 2012 by CNN/Money Magazine as ranking 85th in their list of the best places to live in the country. We boast a state of the art Recreation Center, multiple township parks with picnic pavilions, 6 ball diamonds, 7 soccer fields, 2 sand volleyball courts, an inline skating rink, playscapes, restroom facilities, concession facilities, and mile-long walking paths. Additionally, our community has 4 public golf courses within our township. The Mall at Partridge Creek and Lakeside Mall are located just south of the township and Lake St. Clair Metropark is located about 10 miles southeast. Boating, camping, nature trails and other outdoor recreational opportunities surround us, and are just a few minutes' drive away.

Location: Centrally located within Macomb County, Macomb Township offers residents easy access to Detroit, Mt. Clemens (the County Seat), and Lake St. Clair. Originally settled in 1831, Macomb Township is located approximately 30 miles north of Detroit, within minutes of exceptional shopping, dining, and entertainment. With easy access to I-94 and bordered by M-59 (Hall Road), we offer a superior industrial/commercial corridor for growth, while being carefully balanced with our beautiful residential neighborhoods and wonderful parks.

Education and Enrichment: Macomb Township is home to four highly awarded and recognized school districts: Chippewa Valley, L'Anse Creuse, New Haven Community and Utica Community. The Macomb Community College Campus is located just across our major border artery (M-59), which in addition to being one of the nation's leading community colleges, is home to the Macomb Center for Performing Arts and Lorenzo Cultural Center. And right here, close to home, our professionally staffed Recreation Department continually offers educational and enrichment programs for individuals and families of all ages.

If you're making your new home here, locating your business or visiting, we welcome you to a viable and energetic community!
Experience a Great Quality of Life
Within the Township borders, more than 73,000 Shelby Township residents enjoy access to championship public golf courses and more than 1,200 acres of first-class public parks, with hundreds of miles of hiking and biking trails and access to the Clinton River, which connects the community to recreation opportunities throughout southeast Michigan.

Shelby Township’s appreciation for and abundance of green spaces goes further than its parks, though. The Township’s residential neighborhoods are some of the most desirable in Macomb County, and their well-manicured, spacious lots and yards contribute to the Township’s place among the highest median home values in Macomb County.

21st Century Education
Local public schools operated by the Utica Community Schools district are among the top in the region, with 11 sites within the borders of Shelby Township.

Utica Community Schools, one of Michigan’s leading school districts, serves Shelby Township families with 14 learning sites offering students world-class preparation for college and career success. UCS students at all grade levels regularly outpace their county and state peers in achievement. In addition to comprehensive, technology-based learning in grades K-12, UCS offers secondary students a multitude of Advanced Placement courses and specialized programs that include Utica Center for Mathematics, Science and Technology; Utica Center for Science and Industry and Utica Academy for International Studies, which was recently named Michigan’s most challenging high school program by The Washington Post.

Location, Location, Location
“I can think of no place better to settle down and establish a family than Shelby Township,” Township Supervisor Rick Stathakis said. “Whether it’s our beautiful parks and recreation amenities, our first-class public education options or an amazing community of neighbors and neighborhoods, it is easy to call Shelby Township home knowing that your family can grow and prosper here.”

The Shelby Business Advantage

With a working partnership between local government and business, Shelby Township is an integral part of the growth of the metro Detroit and Michigan economy.

Through initiatives such as tax incentives and constantly improving and expanding Township infrastructure, the Township’s Board of Trustees has cemented relationships with some of the top industrial firms in the nation including: Fori Automation; Dan’s Excavating; Century Plastics; Florence Cement; U.S. Farathane; General Dynamics; Models and Tools; Smith Brothers Tools; Eagle Manufacturing; Plastic Trends; KUKA Robotics; Avon Gear; Lube Power. And whether it is a new company or an established firm looking to expand, Shelby Township offers personalized services to meet industry demands in the most cost-effective means possible.

New businesses work with Township staff to help with permitting processes, workforce screening and training programs to ensure every business has the best possible start when taking root in Shelby Township.

Wired for Business

"The conservative majority of our Board of Trustees has long held the opinion that while government cannot create jobs, it most definitely can create an environment that promotes job growth," Stathakis said. "This is why we have worked diligently with township staff in the Planning, Building and Assessing departments to ensure that new and expanding businesses have all the tools they need to thrive and create a more vibrant Shelby Township."

Clinton Township, Michigan
Strong families and business for a better community

Clinton Township with more than 100,000 residents is the most populous township in the state of Michigan and the sixth largest community in the Detroit tri-county area. The township is proud of its balanced approach to residential and commercial development and its increasing reputation as “A Community of Parks and Blue Water Economy Activities.”

Clinton Township offers residents more than 300 acres of open spaces in 11 parks including the Tomlinson Arboretum and George George Memorial Park. The 34-acre arboretum adjacent to the township’s Civic Center recently received the Keep Michigan Beautiful Award while George George Park is now a regional attraction with playscapes, a picnic gazebo, fountains and walking trails. An expanding network of safety paths, sidewalks and trails helps foster fitness opportunities and a sense of community in Clinton Township.

The township has also joined the Blue Water Economy with the installation of a new kayak and canoe launch in the 46-acre Budd Park along the Clinton River. The public launch will also feature a concessionaire that will arrange for kayaking from the park to downtown Mount Clemens.

Clinton Township believes strongly in a business-friendly approach to sustaining economic growth.

For example, the Clinton Township Gratiot Downtown Development Authority continues to promote the business community along the M-3 corridor through such major infrastructure improvements as a new energy efficient LED-based lighting grid, attractive landscaping, road and sidewalk improvements and new signage. More than 70,000 vehicles travel the corridor daily.

The township’s Economic Development Corporation (EDC) works with industrial and commercial customers to locate, purchase, construct and redevelop appropriate sites throughout the community. It also provides for property tax exemptions and tax abatements. The EDC and members of the Board of Trustees encourage cooperation with the community’s business partners in a broad initiative to improve business conditions across the township.

Most recently Kuka Systems North America invested some $14.4 million and is creating 116 new jobs at its manufacturing facilities in Clinton Township to support its growing aerospace business. As a result, the company has been awarded a $900,000 Michigan Business Development Program performance grant along with a property tax abatement from Clinton Township. Thanks to the township’s EDC more than $48 million in new investment and the creation of 400 jobs were secured over the past 18 months, including 250 jobs and $16.5 million in investments by JVIS USA.

For more information about the Charter Township of Clinton go to our website at: www.clintontownship.com
The City of Fraser is located in Central Macomb County, one of three counties (Wayne, Oakland and Macomb) that comprise the Detroit metropolitan area. With a current population of 15,297, the City offers a variety of housing, commercial and industrial properties suited to meet nearly all requirements.

With well appointed parks, unsurpassed services, quality schools, a thriving Activity Center for all ages, a myriad of shopping opportunities and other recreational opportunities, the City of Fraser is a great place for all ages, interests and lifestyles.

Conveniently located close to major arterial routes such as I-94, I-696, Groesbeck Highway and railways, the entire southeast Michigan area is easily accessible for living, working and playing.

Our enviable location is also prefect for locating a commercial or industrial business within our borders. For a small town of only 4.2 square miles, the City boasts an industrial subdivision of over 220 acres with buildings up to 150,000 square feet. The city of Fraser is committed to streaming the processes associated with business creation, relocation and expansion. We have close associations with Macomb County and the State of Michigan and have utilized their services to assist our commercial and industrial residents.

For more information about the City of Fraser, please visit our website at

www.micityoffraser.com
Harrison Township, located 20 miles from Detroit along the shores of Lake St Clair, is the premier waterfront community. In Harrison Township, you are home.

Lake St. Clair is one of the most beautiful lakes in the world. Harrison Township has nearly 20 miles of waterfront property. Whether on a personal watercraft, pleasure cruiser or fishing boat, our waters are a majestic natural playground. Lake St. Clair is one of the best freshwater fisheries and Harrison Township has dozens of marinas and four public boat launches to get you out on the water.

If staying on shore is more your style, Lake St Clair MetroPark has numerous activities to entertain everyone. The park is also the starting point for the Township’s extensive network of hike/bike trails. Situated at the mouth of the Clinton River, we have our own freshwater Riviera with beautiful homes and topnotch restaurants.

Harrison Township is home to world class businesses whether you look at our marinas or industrial corridor. Approximately halfway between two major international border crossings and convenient to major expressways, our location provides easy access to the automotive industry in the region. Home to Selfridge ANG Base, we also have opportunities for the defense industry.

SKILLED FUTURES
TURNING PASSIONS INTO PROFESSIONS

If you love working with your hands and you want to love the career you’re getting into, skilled trades is a great way to go.
– Mike Rowe

While still providing opportunities to work with your hands, today’s skilled trades have much more to offer. They’re careers that can be attained with varying levels of post-high school education and training and offer exceptional salary, benefits and advancement opportunity. In fact, demand in skilled trades is at record levels – over 8,000 positions are currently available in Michigan. And, with more skilled trades people retiring in the next few years, there’s never been a better time to pursue an opportunity in these essential careers.
CONSTRUCTION
Requires problem-solving capabilities, math skills and the ability to read blueprints.

HEALTHCARE
Careers that impact people’s lives, including radiologist, sonographer or healthcare technician.

INFORMATION TECHNOLOGY
Includes website design and development, programming or working as a computer technician.

ADVANCED MANUFACTURING
Includes using 3-D models, computer simulations, software development and more.

• There will be approximately 6,700 new job openings expected every year in Michigan through 2022
• There’s ample opportunity for women and minorities, especially in the STEM fields
• The average wage for skilled trades in Michigan is $22–$24 an hour

Make today the day you become part of a growing skilled trades movement that’s building a stronger Michigan. To learn more, go to mitalent.org/skilled-trades.
Mount Clemens proudly offers large city amenities while maintaining a small community atmosphere.

Mount Clemens is the entertainment and dining capital of Macomb County.

Traditional Downtown area with locally owned shops, brick paved streets, and public art installations.

Over two dozen bars and restaurants are located within the core downtown district.

Variety of historic and contemporary walkable neighborhoods offering a mixture of housing from starter homes to grand stately homes.

Over 120 acres of beautiful community parks.

Downtown district hosts over three dozen significant events each year.

Available prime office space in the Downtown varies in size from single offices to corporate suites.

Industrial properties ranging from small spaces to large modern complexes.

The Clinton River provides access to Lake St. Clair to the Riverfront.

The city is well served by major arterial roads lined with a variety of retail.

The city is conveniently located near two premier malls and is less than 20 miles from Downtown Detroit.

www.CityOfMountClemens.com
www.DowntownMountClemens.com
New Baltimore is located on the north shore of Anchor Bay on Lake St. Clair. With easy access to the Metro Detroit highway system, this jewel of a town is just 30 minutes from downtown Detroit.

New Baltimore offers a scenic waterfront with a public beach, boat docks within walking distance of shopping and restaurants in its historic downtown and a number of parks with fishing, ball diamonds, soccer fields, sledding, play structures, a skate board park and hiking paths. The City hosts numerous town festivals and special events.

Quaint getaway cottages have given way to dazzling lakefront homes. Residential options include single and multi-family in both subdivisions and historic neighborhoods. New Baltimore has been able to maintain its small town charm even with significant development. The charm and the City’s convenience to the rest of Metro Detroit make it a special place to live and raise your family.

New Baltimore has consistently ranked as one of the top ten safest cities in Michigan and has been named one of the safest 100 cities in the United States.

www.cityofnewbaltimore.org
Beautiful historic homes grace tree-lined city streets. New home developments offer the latest in single family living, though there is plenty of room for those who want to experience a rural lifestyle. Richmond residents enjoy a superior quality of life, with access to some of the finest recreational amenities in all of Michigan.

The City of Richmond is a growing city with an estimated population of 6,000 residents and is linked by the I-94 Expressway, M-19, and the Gratiot Avenue corridor for easy access to the Detroit/Flint/Port Huron Metropolitan Areas. We offer many housing options in various price ranges for everyone.

Richmond offers a wide variety of recreational activities for the outdoor enthusiast through its many municipal parks as well as a comprehensive sidewalk system throughout the city. The Macomb Orchard Trail, a 23.5 mile linear park, begins in Richmond and connects to a network of trails. Join us for fun and fitness!

The retail business districts offer turn of the century charm and unique modern Main Street architecture. The pedestrian friendly downtown is the perfect location for shopping and services. Special events are held year round to promote our businesses. Additionally, the city has worked with private property owners on the development of prime industrial property. Richmond is ready for your business!

For more information on the City of Richmond, please visit our website at www.cityofrichmond.net or contact us at (586) 727-7571.
Downtown Romeo’s sidewalks, trees, flowers, and banners create a welcoming, walkable community.

Our beautiful village is just minutes away from some of Macomb County’s best Cider Mills and Orchards.

Romeo Features
- Trendy Shops and Restaurants juxtaposed in historic buildings that blend the past and present.
- Beautiful Historical Homes surrounding the village, creating a unique atmosphere.
- Access to the Macomb Orchard Trail that ties into our downtown for shopping and dining.

From unique boutiques, upscale retail gift shops, history and culture, taverns and diverse restaurants to seasonal events including the Michigan Peach Fest, Harvest Day, and St. Baldricks, look no further than Downtown Romeo!

The purpose of the Romeo Downtown Development Authority is to correct and prevent deterioration in the Romeo Business District; to encourage historic preservation; to authorize the creation and implementation of development plans in the district and promote economic growth.

Nestled along the banks of Lake St. Clair, the City of St. Clair Shores is often called The Gateway to the Great Lakes. Its location, 13 miles northeast of downtown Detroit and centered on the intersection of the I-94 and I-696, makes the City an easy drive to the entire tri-county area. No wonder 60,000 residents call St. Clair Shores their homeport!

- Walkable, safe neighborhoods.
- Family-friendly atmosphere.
- Exceptional Police & Fire services.
- Three award-winning school districts.
- Unlimited access to recreation on land and water.

Your Homeport!
Nestled in the heart of Macomb County, Sterling Heights is conveniently located in the hub of economic activity in Southeast Michigan. More than 3,500 commercial businesses, manufacturing facilities and high tech firms, including BAE, General Dynamics, Ford and Chrysler, call Sterling Heights home – and for good reason. We provide exceptionally high quality of service for businesses and residents at a low cost – our tax rate is lower than two-thirds of Michigan cities and we have consistently maintained a AA Bond rating. In addition to the broad industrial base and top-notch amenities, Sterling Heights boasts of one of the finest culturally diverse, educated and skilled workforces in the world with a population of more than 130,000 and growing!

www.sterling-heights.net
City of Utica

Historically, Utica has always been the heart of western Macomb County. As a small city, dating from 1817, we take great pride in our heritage but rejoice in our thriving businesses, respected churches, and outstanding City services. The historic business district has taken on a new and vibrant look. Our streets are newly resurfaced, widened and better lit. With the advantage of M59 and M53, Utica offers great shopping, great hotels, and a wonderful variety of restaurants. Our schools, parochial and private, are some of the best in the area. Trinity Lutheran, St. Lawrence and both Utica Community Schools’ Flickinger Elementary and Eppler Junior High. Our City Council and Planning Commission have embarked on an update of the Master Land Use Plan. With a supportive Macomb County government, how could any city not be excited about what lies ahead? The City of Utica cherishes its treasured past and looks forward to a challenging future.

Macomb County Education

Macomb County’s 21 public school districts are working hard to prepare students of all abilities for the opportunities of the future. Districts are thinking ahead, planning ahead and pushing forward to provide students with the tools they will need to be successful, productive citizens in a world we can only imagine.

The colleges and universities located in Macomb County and the surrounding area have also embraced these global challenges and are providing curricula that will help develop the future leaders of industry and commerce. Here’s a quick look at a few local institutions:

Lawrence Technological University - Possible is everything.

Lawrence Technological University is a 4,500-student private university located in Southfield on a 102-acre, full-service campus. LTU offers more than 100 undergraduate, graduate, and doctoral programs – many available online – in Colleges of Architecture and Design, Arts and Sciences, Engineering, and Management.

Students can earn degrees and “fast-track” certificates in such emerging fields as robotics, alternative energy, embedded systems, and the life sciences. Hands-on experience in internships, co-ops, projects, competitions, applied research, and more can provide students with the skills they need to grow and succeed. Visit www.ltu.edu to learn more.

Macomb Community College is Macomb County’s destination for earning meaningful credentials, connecting to the workplace, and realizing meaningful arts and cultural experiences. The college’s two main campuses are in Warren and Clinton Township, in addition to a Michigan Technical Education Center focused on workforce development and a campus focused on training public service professionals.

The college offers certificates and associate degrees in more than 200 programs, well-regarded workforce training programs and the ability to pursue advanced degrees through 11 partners at the Macomb University Center. Through the Macomb Center for Performing Arts and the Lorenzo Cultural Center, the college provides a spectrum of enrichment experiences for all ages.

Wayne State University

Since 1868, Wayne State University has been an engaged and motivated community of scholars in the heart of southeast Michigan. Today, nearly 28,000 students from every U.S. state and 70 countries are pursuing degrees on our Detroit campus and five extension centers – including the new Advanced Technology Education Center in Warren and the Macomb Education Center and University Center-Macomb, both in Clinton Township.

Our students choose from more than 380 degree and certificate programs, earning their credentials at a nationally ranked research university that produces life-saving research and is a leader in green technology. Our mission is to create and advance knowledge, prepare a diverse study body to thrive, and positively impact local and global communities. We invite you to learn more at wayne.edu.

Macomb County families, discover your opportunities at
Lake Shore Public Schools

We live by our motto, "We build successful futures for all - one student at a time."

From Kindergarten through our graduating seniors, Lake Shore students are a part of a strong school system that works hard every day for the benefit of our students. We understand what is important to families when they choose a school district. Lake Shore students consistently have strong test scores, access to the latest technology, participate in competitive sport teams, and travel all over the world learning and performing.

Our Elementary Schools offer:
- Smaller class sizes - average number in a K-5 classroom is 24
- Full calendar of extra curricular activities and field trips at every grade level
- Before and after-school childcare
- Foreign Language starting in Kindergarten - Lake Shore offers Mandarin, Spanish, German and Italian at our elementary schools
- Daily enrichments in art, music, technology, library, and physical education

Our Middle School offers:
- Award winning athletics and fine and performing art programs - Kennedy Middle School has the only middle school band program in the state to receive First Division ratings for both jazz and concert bands
- Active Student Council, National Junior Honor Society, Eco Club, and F.O.R. Club

Our High School offers:
- College credits free of charge - Lake Shore students can take Early College, Dual Enrollment, and AP Classes including AP Language and Composition, AP US History, AP Psychology, and AP Studio Art Portfolio
- CAD, medical & dental careers, building trades, web design & video productions training - Over the past five years, Lake Shore High School web design students have been awarded over $24,000 at the Michigan Council of Women in Technology’s annual competition.
- Exchange program with schools in China, Spain, Italy & Germany to support foreign language classes
- Award-winning fine and performing arts program
- Competitive sports teams
- The Class of 2015 received over $3.6 million scholarships/grants.

Our District offers:
- Foreign language classes starting in Kindergarten
- Academically challenging, enriching and safe environment for students
- Interactive technology in every classroom
- Blended and flipped classroom learning opportunities
- Remedial specialists for K-8 students, social workers, certified speech & language pathologists, and media specialist in every building
- Professional Learning Communities to give teachers the opportunity to share “best practices” that lead to continued student success

Macomb County Michigan | Macomb Magazine 2016 | www.MacombBusiness.com 51
Together, We Can
SAVE LIVES.

LUNG CANCER SCREENING

PEACE OF MIND IS PRICELESS. Henry Ford was part of a groundbreaking national study that proved lung cancer screenings save lives. Currently, just 16 percent of people survive 5 years after being diagnosed. Together, we can dramatically improve survival rates – and deliver treatment options that get you back to living life to the fullest. Coverage varies by insurance plan and payer. Some plans require a physician referral for this screening. If your screening is not covered by insurance, you can get this life-saving test for just $99.

*To be eligible for the lung cancer screening, you must:
• Be age 55 or older.
• Currently smoke, or have quit less than 15 years ago.
• Have smoked a pack a day for at least 30 years or equivalent packs in fewer years.

CHOOSE A LOCATION NEAR YOU:
Clinton Township               Shelby Township               Sterling Heights

*If covered, your insurance provider may have specific requirements related to eligibility

Take the first step toward a healthier future. Visit henryford.com/lungscreening to make an appointment.
