These are just a few reasons why Macomb County is a great place to live and work.

A million more reasons exist—our dynamic quality of life, freshwater assets, safe neighborhoods, prosperous business climate—which is why the Macomb County Department of Planning and Economic Development has partnered with the Macomb Daily to publish MOMENTUM.

MOMENTUM is a semi-annual glossy magazine that illustrates the people and places of Macomb County through vivid photography and compelling articles about our communities, recreation assets, and business organizations.

MOMENTUM’s high production value and unique content makes a powerful statement to investors who seek to make Macomb their home.

MOMENTUM reaches 65,000 homes – inserted inside the Sunday Macomb Daily, distributed to area libraries, Cobo Center, and used by the Macomb County Dept. of Planning & Economic Development.
